**Place Your Screen Measurements Here (LxH)**  
**(The dashed line represents my phone screen size, but yours will likely be different)**

**Place Your Outer Phone Measurements Here (LxH)**  
**(The dashed line represents my outer phone size, but yours will likely be different)**

**The thickness of this piece depends on the width of your phone. My phone was a little over 1/2" with the case on it, so I used 3/4" wood here.**

**1/4" Birch Plywood**
